

A MESSAGE FROM KSKJ LIFE'S MARKETING COORDINATOR

PAY IT FORWARD

Not too long ago, I was the recipient of a “pay it forward” act of kindness. I was in the drive-up lane of a local coffee shop, and as I pulled up to the window with my arm outstretched and payment in hand, the clerk smiled at me and said “There’s no charge... your order was just paid for

by the kind gentleman in the truck ahead of you.” Really? I’ve heard about these things happening, but I never thought I would be part of one of these “kindness chains.” Just as they say that “smiles are contagious,” so too, I believe, is kindness.

As I write this, there are several KSKJ Life lodges around the country taking part in various Join Hands events....cleaning the grounds around local schools and churches, visiting with residents at nursing homes, volunteering at food pantries...and this list goes on. My email inbox is filling up with photos from these events. The theme is consistent throughout all the pictures – joy. Whether they’re holding rakes and garbage bags in their hands or placing cans on food pantry shelves, the looks on these participants’ faces are that of pure joy – joy in knowing that they truly are making a difference.

It’s been said that charity begins at home. With KSKJ Life’s Join Hands initiative, members can volunteer on their own or gather a few friends together and pick a service project in their own community. Need some ideas for a project? The web-site communityservice.org offers numerous suggestions for different age groups:

Children – Children in small supervised groups can pull weeds, pick up litter and sweep sidewalks and pathways. Call local parks departments and ask

when clean up days are scheduled. Another idea is to allow your child(ren) to have a lemonade stand or bake sale. They can raise funds to help children in their community who need clothes or school supplies.

High School/College Students – Students can organize a car wash with all proceeds going to support a charity. Or they can organize a tree planting event as part of a beautification campaign.

Families – Families can sign up to assist in a soup kitchen/homeless shelter. Many have found this volunteer opportunity to be rewarding for all family members, especially if you have children who are in middle school or older.

Retirees/Seniors – Senior citizens are an important part of the volunteer community. There are plenty of ways for older volunteers to engage with kids and share joy with a younger generation. Some libraries allow volunteers to read at their scheduled

story times. You can also reach out to your local hospital to see how you can support young patients and their families. For those looking to connect with someone their own age, consider becoming a senior companion to help others.

Regardless of your age or circumstance, volunteering opportunities abound. The chances to make contributions to one other person or to an entire group are numerous. How will you "pay it forward?" Take part in our Join Hands campaign and share your efforts with us. Snap a photo of you and/or your group making a difference and email the photo to fraternal@kskjlife.com or share on social media using #kskjlife #joinhands2018. You will then be entered to win \$100 for your charity. 5 random winners will be announced July 6th. Photo shares or submissions are due by June 30, 2018. Charity receiving \$100 donation must be a 501(c)3 organization. Let's keep the kindness chain going!

Lauren Baltz
KSKJ Life Marketing Coordinator

As the daughter of Slovenian immigrants, Mary Carmody always had a deep appreciation for her culture and a passion for helping others. After being processed at Ellis Island, Mary's parents eventually settled in a small community located an hour north of Chicago. "My mother, who escaped her war-torn country leaving all of her loved ones behind, joined KSKJ Life when I was child," Mary explained.

Although it was a tough time for immigrants and their families, one of Mary's favorite memories growing up was the KSKJ Life annual Christmas party.

"I'll never forget the charitable generosity of KSKJ during the Christmas holidays...children were encouraged to participate so KSKJ would be sure every child received a toy. And, we could choose from a table full of them."

True to form, children had to earn their toys by completing a chore or task. As a gifted singer, Mary's job was to sing 'Sveta noč' (Silent Night), a carol enjoyed by all who attended. "If it were not for KSKJ, most Slovenian children, including my brother and me, would not have received any presents," she went on to say. "The nuns would ask us after the holidays what gifts we received. It was embarrassing to say nothing, but if we lied we were punished. KSKJ gave dignity to us immigrants in a way that was very meaningful."

Mary grew up to graduate with a Bachelor's Degree in Criminal Justice/Law Enforcement Administration/Healthcare Management from Concordia University in Wisconsin. Following a successful career as a photojournalist, Mary had her sights set on moving to Colorado and opening a traditional Slovenian potica shop.

In her spare time, Mary also served on the Lake County Council for Seniors, when late one night in 2013 she witnessed an elderly veteran walk several miles in the pouring rain to receive food from the organization.

"It was heartbreaking, seeing this poor man who had done so much for his country still having to work so hard to get by," expressed Mary.

That's when the Midwest Veterans Closet was born, a not-for-profit rapid response charity Mary founded that works to impact veterans lives by providing clothing, household items, shoes and boots, linens, and food from their Food and Nutrition Resource Center. Located in North Chicago, the nonprofit also provides housing and employment assistance as available. On certain days, veterans will line up for hours in anticipation of a mobile food pantry that rolls into Midwest Veterans Closet with free groceries for those who have served.

"It's sad that our military has to wait for food," said Mary. "We need to take care of them, the way that they take care and protect us through their years of service."

As a kid, Mary valued the practice that KSKJ Life allowed children to pick out their own Christmas toys, and carries on that sentiment by making sure that all those served by Midwest Veterans Closet are given the opportunity to pick out their own food.

"These vets, they would never ask for anything," said Mary. "Just like so many immigrants I knew growing up, all they know how to do was work hard."

Presently, Mary likes to give back to KSKJ Life by actively volunteering at various events, such as the 2017 National Golf Outing and Lodge #79's recent No-Tap Bowling Tournament / Fundraiser. "I've seen firsthand that KSKJ Life has been doing good things for a long time, and I love passing along the mission," Mary said. "It all comes full circle."

As for the potica shop, Mary was able to live that dream vicariously through her son, who resides in Evergreen, Colorado where he continues to uphold his Slovenian culture through his own potica bakery, called Rocky Mountain Potica.

A LOOK BACK....THE 19TH KSKJ LIFE NATIONAL CONVENTION

The year was 1938...Franklin D. Roosevelt was president. Superman first appeared in DC Comics' Action Series issue #1. The average cost of a new house was \$3,900 and Orson Welles's radio adaption of The War of the Worlds was broadcast, causing mass panic in the eastern United States. It was also the year of the 19th KSKJ Life National Convention which was held in Eveleth, MN.

John Germ of Pueblo, CO was elected president and several important deliberations were brought to the delegates' attention: Increase of insurance limits was made available to members and extended to \$5,000 for certain ages. Term insurance for juveniles was extended

to age 18. KSKJ would pay mortuary assessments, operation benefits, permanent disability and administrative expenses for all members over 70 having Ordinary Life certificates.

By this time, the cornerstone of the new Home Office had been laid (July 3, 1938), and the membership of KSKJ totaled 35,419 (24,863 adults and 10,556 juveniles). In July of the next year, the move from the 1909 building to the North Chicago Street location was completed and the new Home Office building was dedicated.

MATCHING FUNDS UPDATE - LODGE #196 & HABITAT FOR HUMANITY

Blessed Virgin of Help Lodge #196 held its first Matching Funds Event for 2018 on Thursday, February 1 partnering with the local area North St. Louis County Habitat for Humanity Organization. We assisted them with their Gourmet Dinner fundraising event which was held at the Mt. Iron Community Center. Habitat for Humanity helps people in our area that are dealing with needed housing, by building homes for those in dire need. The event raised over \$19,000, minus expenses of \$3,200 for a total over \$16,000. Adding in our KSKJ Life match of \$2,000 brings the Grand Total approximately around \$18,000. It is safe to say that the Gourmet Dinner event with many local businesses attending was a huge success. Thank you to all the folks who came out and supported this very special event.

We presented the \$2,000 Matching Fund Check to Habitat for Humanity Representative Nathan Thompson at our regular lodge business meeting on May 1st. Thank you to lodge members Mary Ann Nanti and Karl Oberstar Jr. for all your time and help at this event. Thank you to all lodge members who came to support this event, and to the Habitat for Humanity organization (Susan Garrett), for asking us to assist them in this very special worthy cause.

Respectfully Submitted,
Karl Oberstar Jr. (President of Lodge #196)

SPRING ATHLETIC ACTIVITIES WRAP UP

By MaryLou Stefanick

Three major events concluded this spring; and one more is quickly approaching. Here is a brief wrap up of each event.

NATIONAL BOWLING TOURNAMENT

When I think of all of the KSKJ Life Bowling Tournaments I have participated in over the years, I always come out saying the same thing. Bowling is the reason I go, but it's the people I meet and visit with that keeps me coming back. This year the Tournament was hosted by St. Aloysius #52 of Indianapolis, who really rolled out the red carpet for their out of town guests. Teams from the Cleveland area, hometown Indianapolis, Joliet, Milwaukee, and Waukegan participated in the 47th annual KSKJ Life National Bowling Tournament, which officially began with the ceremonial first ball thrown by KSKJ Life CEO Tony Mravle, Jr.

Many thanks to Ed Cottongim and the committee of volunteers from St. Al's who went above and beyond in hosting this 3-day event. Team, Singles, and Doubles winners will be listed in the next issue of the Voice, as well as on the website. In April 2019, the tournament heads to Joliet, where we will gather not only to bowl, but also to celebrate our 125th anniversary. Let's make this one a tournament to remember! Details to follow.

ALTERNATIVE BOWLING COMPETITION (ABC)

The 6th annual ABC concluded in late April, with 30 of our youth members participating. The ABC, which ran from early December through late April, was open to all youth members under the age of 16 that bowled at least once during the 5 month timeframe. Random winners from both the "straight bowl" and the "bumper bowl" division were selected, and will receive a KSKJ Life Beach towel, just in time for the summer months. Thank you to all the members that participated, and looking forward to doing it again in December. Winners are as follows:

STUDENT ATHLETE RECOGNITION AND AWARD PROGRAM

The Student Athlete program which began in 2008, has seen some changes over the years, but it continues to draw interest from our many (high school) young adult members from across the country. And as we conclude our 10th annual program, we again see that our members are committed to their studies while being active in a wide range of activities. Ten random winners were selected from the list, and each will receive a \$100.00 award from KSKJ Life. See winners in the table to the right. Winners photos can be found on our website's "Athletics" page.

NEXT UP – NATIONAL GOLF TOURNAMENT

If you have even a mild interest in the game of golf, you won't want to miss the 5th annual National Golf Tournament on Saturday, June 16. The one day tournament will be played at the Bonnie Brook Golf Course in Waukegan, IL, and the format will be a 4-person scramble. Note: each team can have up to two non-members on it. The tournament rules and entry form can be found on our website's "Athletics" page.

KSKJ LIFE RECIPE CORNER

With Father's Day just around the corner, why not fire up those grills and try some traditional Slovenian sausage known as Čevapčiči? Frank Bucar from St. Elizabeth's Lodge #171 in Duluth, MN was kind enough to share his recipe for all to enjoy.

ČEVAPČIČI

Ingredients:

- 2 lbs. Ground Beef
- 2 lbs. Ground Pork
- 2 Eggs
- 2 tsp. Pepper
- 4 tsp. Salt
- 1 tsp. Cayenne (max)
- 2 Tbsp. Paprika
- 8 oz. Onion - finely chopped
- 2 tsp. Garlic Powder

Plate of traditional Čevapčiči from an outdoor restaurant in Slovenia.

Instructions:

Mix all ingredients and, if possible, let sit overnight in the refrigerator. Using a 4-Tbsp. sized ice cream scoop to measure, make oblong patties about 3" long and 1" in width (see photo). Grill. Makes about 30 čevapčiči. Serve with Kaiser/hard Rolls or Vienna bread and raw onions, Slovenian potato salad or Slovenian fried potatoes.

FROM SHEBOYGAN TO FRANCE

LODGE #144 MEMBER TAKES PART IN FOREIGN EXCHANGE PROGRAM

The Sheboygan, WI area high schools are part of the Fellowship and Friendship Program with the high schools in Avignon, France. The program has the student staying in the host country for a period of approximately 2 weeks. In 2020 they will celebrate 20 years of having students from both countries spend time in each other's home country. With modern technology, Morgan Fenske, a Senior at Sheboygan North High School and a member of Lodge #144, and Tina Jouffret, a Senior at Rene Char High School in France, began communicating over a year ago. Finally, in September of 2017, they were united at North High School. It did not take the Fenske Family long to recognize Tina as she got off the bus that picked them up in Chicago. It was though they have been together all their lives.

I asked both girls if they would be willing to share their experiences as well as some interesting comparisons of their hometowns. Below are some of their comments

Student's Name: Tina Jouffret (France)

Host Family: Fenske Family, (Shannon, Julie, Paige, Morgan and Olivia – All Lodge #144 members)

What were some of your expectations before coming to the United States? I imagined American stereotypes (either at school or at home), big spaces...everything bigger and a more laid-back life.

How does Avignon compare to Sheboygan? Sheboygan is not a big town, just like Avignon, so it looks alike in that way. Maybe Avignon can offer more activities such as shopping and cultural places.

What are some of the differences at your High School compared to the High School in Sheboygan? The school life is very different from what we have in the French Schools. Indeed, it's not the same thinking - we have more homework in France, but the atmosphere is really better at Sheboygan North High.

Favorite American Food: Burgers

Least favorite American Food: Peanut Butter

What were some of the highlights during your stay in:

a) United States: In Chicago we had free time with our

friends and we also attended a Chicago Bulls game. **b) With the Fenske Family:** We went up north and made burgers and smores. We also rode four-wheelers

Were there any disappointments? None

Career goals: Work in business, luxury and marketing

Student Name: Morgan Fenske (United States)

Host Family: Jouffret Family (Jeff, Sophie and Sydney)

What were some of your expectations before going to France? My expectations of France were a lot like how it really is. I also expected there to be beautiful views and tourist places. I also expected there to be amazing food, which there was.

How does Sheboygan compare to Avignon? Avignon is pretty much the same size as Sheboygan. In that way, they are a lot alike. Avignon is what I might call "outdated" (rustic) looking.

What are some of the differences in your High School compared to the school in Avignon? My school is very colorful compared to Rene Char High School. They do not have any posters on their walls or any decorations at all. Their gym is a whole separate building that you have to walk outside to get to as well. It is maybe half the size of the gym at North.

Favorite French Food: My favorite French food was crepes. We had salty ones which included ham and cheese. And we had sweet ones with Nutella.

Least Favorite French Food: My least favorite was some of the pizza. They put olives on their pizza and they are very, very strong.

What were some of highlights during your stay in:

a) Avignon: Some of the highlights were seeing the different monuments and bridges. My favorite was the Pont Du Gard bridge and the Van Gogh's Hospital

b) With the Jouffret Family: We went to this beautiful shopping center where there was gorgeous art and little shops everywhere. We also went to little shopping malls which were also amazing.

Were there any disappointments? The only

disappointment was not being able to see Paris and travel. We had to travel nearly 2 days each way which was no fun! It took us 13 hours each way by bus to and from Munich, Germany because of an airport strike. This cut down on our time in Avignon and with the Jouffret family by almost 2 days.

Career Goals: I am undecided of my career goal, but possibly in the medical field.

LODGE # 169

CLEVELAND, OH

On Saturday, May 12, a group of our members met in downtown Cleveland to participate in the 30th-anniversary Run/Walk for Hunger, a 5K event sponsored by the Hunger Network of Greater Cleveland. It turned out to be a very nice day as some of us ran while others walked the three-plus miles to raise funds for the largest emergency food distributor in Greater Cleveland.

Thanks to Lodge #169 Vice President Greg Clack for organizing our team. And kudos to Greg for finishing second in his age bracket. We plan to continue with such events at least once a year. Stay tuned!

St. Joseph #169 entered a team in the Run/Walk for Hunger sponsored by the Hunger Network of Greater Cleveland. From left: Nick Marsic, Alex Clack, Brian Mezgec, Greg Clack, Vic Nemeec, Marty Marsic, Maria Marsic, Cathy Clack, Christine Nemeec, John Nemeec, Andreja Marsic.

Our bus trip to the National Bowling Tournament in Indianapolis April 20-22 was a great fraternal event. Our bowling results were mixed, but the good times and connecting with fellow KSKJers was nothing but positive.

The St. Joseph Lodge #169 team was proud to be joined by our new CEO Tony Mravle Jr., and we truly had a good time on the lanes that day! Thanks to the Indy crew who organized a smooth tournament and put on a couple of memorable socials at the

Slovenian Home.

Our next meeting will be on the first day of summer, June 21, at 6:30 p.m. at the Collinwood Slovenian Home, 15810 Holmes Ave. All members welcome.

LODGE #219

EUCLID, OH

"BINGO" was the magic word for the residents of the Slovenian Home on Neff Road in Euclid and members of KSKJ Life St. Christine Lodge #219. For our recent Join Hands project, we joined the volunteers at the home to assist the residents with a day of activities including playing Bingo. We had a chance to meet and talk with the residents. It was a lot of fun helping them place their bingo chips on the cards and calling out bingo. Mary Kay Bossard, the activity Director at Slovenian Home, stated that there is a need for volunteers at the home. Please contact her for more information. Our lodge is planning to attend another activities afternoon in the future.

Please attend our next meeting, June 10th at 1 p.m. in Gateway Manor, Gateway Drive, Euclid. We will not be meeting in July or August. I hope everyone has a safe and happy summer.

FOUR LODGE PICNIC

Cleveland 4-Lodge Family Picnic
Sunday July 8 - 12:00 to 6:00 pm • Oddfellows Farm in Glenwillow

LOCAL LODGE NEWS & EVENTS

The Cleveland Four Lodge Picnic will be held on Sunday July 8 at Oddfellows Farm in Glenwillow from 12 - 6 p.m. Directions to Oddfellows are at the bottom of the article. The picnic is open to the members of Lodges #63, 146, 150, 226 and their families as well as any other KSKJ Life members that would like to join us. You are welcome to bring a non-member guest at a cost of \$5 per person. As always, food and non- alcoholic beverages will be free. When you arrive, sign in at the check in table and receive a ticket for door prizes. The check in table will also be the place to buy tickets for the Chinese raffle baskets. There are always some wonderful baskets to be won. Games will begin at 1:30 p.m. The KSKJ Life grill team will be back in action again with food will be served from 2 - 3:30 p.m. Bossie's Best will be back again with soft serve ice cream cones and sundaes at no cost. We are still looking for more workers to help. If you can help out let the contact person from your lodge know. We would like to see some of the scholarship winners from the lodges there to help out.

We will be collecting non-perishable goods for St. Malachi Center. They do a wonderful job helping those in need in the Cleveland area. Donations will be collected at the check in table. Some of the items on their wish list include tissues, styrofoam plates, napkins, paper towels, trash bags, liquid soap, laundry and dishwashing detergent, toilet paper, gallon Ziploc bags, grocery store gift cards, applesauce, canned vegetables, canned soup, jams, cake mixes, canned chicken, vegetable oil, fruit juices, instant rice, pancake mix and syrup, coffee, boxed potatoes, deodorants, Chapsticks, and travel size lotions. Cash donations are welcome also. If everyone brings something, we can help a lot of people in need.

If you are planning on attending, let the contact person from your lodge know before Sunday, July 1. We need an accurate count to make sure that we have enough food and beverages for all. We do not want to disappoint anyone. These are the people to inform if you will be attending and if you can help out:

Lodge #63: Jeanne Marincic 440-526-8658

Lodge #146: Josie Kmet 216-267-4866

The free picnic is made possible by the proceeds from the 50-50 raffle tickets that will be sold at the picnic. You can purchase them at the check in table. Without the 50-50 raffle this picnic would not be possible.

DIRECTIONS TO ODDFELLOWS FARM:

Take I-271 from either the north or south to I-422 east toward Warren. Take 422 and get off at the Harper Rd./Cochrane Rd. exit. Go right toward Glenwillow. Continue on Cochrane Rd. for three miles until you reach Austin Powder Rd. Take a right on Austin Powder Rd. As soon as you cross over the railroad tracks on Austin Powder Rd. there will be a road on the right that leads back towards the picnic area. The road will run parallel to the railroad tracks. There will be a KSKJ Life event sign posted at the entrance.

On April 27, we had our usual Meet and Greet at Quaker Steak. We had a spirited group there, with many ideas on future events.

Our next meeting will be June 8. One of our younger members would like us to try a service event. She will be gathering details and ideas as we try to incorporate a service component for the late summer/early fall. As usual, the meeting will be at Quaker Steak and Lube on Canal Road and will begin at 6 p.m.

July 8 is the annual 4-lodge picnic at Odd Fellows. See the "Region 3 – Regional News" in this paper for more details.

On July 13, we are planning a baseball game with the Akron Rubber Ducks. Call me (Josie) at (216) 267-4866 if you are interested in attending. This will be a free event for KSKJ Life members and will include fireworks. The games are usually very entertaining,

and the area around there has many places to eat (as well as the concession stand). The game starts at 7:05 p.m. and is against Birmingham. Join us as we watch the future stars of the Cleveland Indians!

In August, we have the Young Adult Leadership Conference and KSKJ Life National Convention to look forward to.

LODGE #236

SAN FRANCISCO, CA

IN MEMORY

Franci Pecavar was born to Josef and Marija Pecavar on November 7, 1935, in the small Slovenian village of Stanska Vas. He was one of nine brothers: older brothers Joze, Albin, Tone, Mirko, Ivan, Stane and younger twins, Peter and Pavle. After only obtaining a 4th grade education, Franci worked primarily on the family farm, caring for the animals and working the fields. At the age of 21, he escaped his communist, ravaged homeland in search of a better life. After several attempts at leaving, he eventually was able to travel under the cover of night, making his way through Italy in order to reach Paris. He was faced with cold winter weather upon arrival. After spending the first few nights sleeping on the streets, he and a friend realized they could escape the extreme cold by sleeping in the back of big empty garbage trucks. Thankfully, he received help from the American Red Cross during this time. After finding work through their assistance, things began looking up. In March of 1958, his friend Ivan came to him in search of help. Ivan's sister had a young friend that recently arrived from Slovenia and needed to be registered at the American Red Cross. That young lady's name was Katica Nemanic, and once Franci met her, they instantly fell in love. After a short courtship, Franci and Katica were married on November 9, 1958. They would spend the next three years working together in the Citroen car factory.

On March 23, 1961, Franci left Paris and arrived in San Francisco. Armed with a 7-month pregnant wife, his sister-in law, \$51 dollars in his pocket, and determination and a dream, he began his new life in America. Frank Jr. was born in July of that same year. His daughter Mary arrived in August of 1964, and son Joe came later in May of 1974. Many years later, he was blessed to be grandfather to Jessica, Izzy and JT. Franci Pecavar would eventually be the epitome of the American dream.

Franci worked many odd jobs when first beginning his life in San Francisco. His first big job was working at steel factory in the industrial part of city, however, the job was inconsistent with constant layoffs. At this point, he thought about becoming a carpenter. He talked to a good friend, Joe Bajuk, who was already

working in the trade and got him one of his first jobs in the field. A few years later, he realized he wanted to go out on his own, and became a general building contractor who built many homes in San Francisco and the greater Bay Area. He was a 30-year member of the Carpenters Union, Local 217.

In addition to being a hard-working husband and always providing for his family, Franci was a dedicated friend and a cornerstone member of the Slovenian community. He was a 50+ year member of KSKJ, frequently serving as an officer in any capacity that was needed. He did not stop with KSKJ; Franci participated in every other lodge at the Slovenian Hall, including serving on the Hall's Board of Directors. So many of his Saturdays were spent at the hall, setting up, cleaning up, tending bar, barbecuing steaks, pigs, and lambs, dancing, making blood sausage, competing in wine competitions (and winning!) at the Grape Festivals, and spending quality time with his friends.

While he was dedicated to having fun, he was also a devoted and faithful man. Sunday mornings were reserved for mass at Church of the Nativity, where he and his family would receive all their sacraments.

On Sundays after church during football season, he loved to watch the 49ers. During baseball season, he watched the Giants on TV every night. One of his favorite hobbies was playing bocce ball and going on tournaments to Reno with his friends. During his remaining free time, you could find Franci in his beloved Sonoma. When in Sonoma, he loved to make wine and whiskey. Franci and Katica have entertained at their summer veselica's for decades. Everyone was invited and welcome: traveling relatives and friends from Slovenia (and all other parts of the world), priests, bishops, dignitaries, old friends, and new friends. Franci really didn't care much about materialistic things—what he cared about was bringing people together through sharing food, drinks, and laughter. He truly lived for those moments and making sure others had a good time.

Franci's infectious smile, generous friendship, loving heart, and twinkling eyes will be missed by all those who knew him well, and even though those who met him only once experienced his warm inviting presence. We celebrate the true measure of the man he was, and pray that his life, so successfully and well-lived, serves as an example for all of us as we go forward without him. To us, he was our hero.

Words cannot express how much he will be missed.

Franci Pecavar
